Office Spotlight: Office of Fraternity & Sorority Life

The FSU Office of Fraternity and Sorority Life encompasses 57 social fraternities and sororities representing four different councils. Each organization holds core values that promote leadership, scholarship,
Road Trip Treats: Wednesday, June 10
Burgers & Fries: Tuesday, June 23

Cooking classes are held on the 4th floor Foods Lab in the William Johnson Building (WJB) at 7 PM unless otherwise noted on the Campus Rec website.

The Academic Center for Excellence (ACE)

The Florida State University Academic Center for Excellence, located on the ground floor of the William Johnston Building, has a mission to help the diverse population of undergraduate students develop the study skills and personal success habits that enhance learning and encourage the highest level of scholarship and academic achievement. They are committed to working with the university community to promote a culture of academic success, with the shared mission of helping students earn a college degree and develop effective lifelong learning skills.

The Academic Center for Excellence provides these general services:

- ACE Tutoring (in the ACE Learning Studio)
- Workshops
- Study Tools and Tips

ACE Learning Studio: Summer 2015 Hours
Monday through Thursday: 10:00 A.M. - 8:00 P.M.
Sunday: 3:00 P.M. - 8:00 P.M.

Need help with a class? Want to help tutor others? Need an extra edge and tips on how to ace a test? All three of these are reasons to come check out the ACE Learning Studio so you can be successful this semester! Start out your sophomore year strong with your goal GPA!

Personal Academic Consultations (PAC)

Personal Academic Consultations (PACs)

ACE offers undergraduate students an opportunity to meet one-on-one with an ACE instructor to review and make improvements to their study skills and personal success habits, including:

- Time management
- Note taking
- Learning styles and study strategies
- Goal setting and motivation
- Graduate/Professional school entrance exam preparation.

FREE and available to current FSU students!

brotherhood/sisterhood, and service. With over 7,000 current FSU students who call themselves members, fraternity and sorority life is a unique opportunity to become part of a more than 100 year old campus tradition.

Check out the four councils and how they can help you further your involvement, engagement, and growth while at Florida State:

Interfraternity Council (IFC):
This council is composed of 22 men's fraternities. They are dedicated to academic and social development of members. Members of IFC chapters are active in every aspect of campus, from research to service to leadership roles. The IFC community is a diverse community with each fraternity bringing their own qualities that creates a perfect fit for every man looking to join. Recruitment takes place at the start of the fall and spring semester and more information on rush can be found here.

Multicultural Greek Council (MGC):
MGC is composed of 11 culturally based fraternities and sororities. Their purpose is to unify and organize groups that seek to promote diversity and cohesion on campus and in the community. MGC organizations are proud to help students find their home away from home and create their own niche on campus. They are engaged on campus through leadership, service, and a commitment to the FSU community. Students interested in joining an MGC must attend a Mandatory Interest Meeting for more details on the membership intake process. More information on their recruitment process can be found here.

National Pan-Hellenic Council (NPHC):
NPHC is a group of nine predominantly African American fraternities and sororities. They are dedicated to creating and maintaining high standards of fraternity and sorority life as well as scholarship, community service, and cultural enrichment of its members. Each organization has its own history and philosophy that interested individuals are encouraged to learn about. To learn more, individuals must attend a Mandatory Interest Meeting. More information on the intake process can be found here.

Panhellenic Association (Panhellenic):
The Panhellenic Council at FSU is composed of 17 sororities. The council is dedicated to the values of service, sisterhood, and scholarship and every organization has values and beliefs specific to them. Panhellenic strives for continual development of its members and inspires members to reach their highest potential. The recruitment process takes place in both the fall and spring semesters and more information can be found here.

Energy
Have more money for the things you want by saving on the things you need! Here are three easy tips to help save you money on your next electric bill:

1. Did you know that 90% of the energy needed to wash your clothes is attributed to just heating water? Switch to cold water next time you do laundry!

2. Don't be a sucker, unplug chargers & appliances when they're not in use! They draw energy whenever they're plugged in even if they're turned off, so it's best to keep them unplugged until you need them. If everyone on campus were to do this, Florida State University could reduce its annual energy use by 5-10%. Plus, it can help improve the lifespan of your computer.

3. Turn the lights off when leaving any unoccupied room. When you are in your room, only use the lighting that you need. Natural light is a great way to brighten a room. Be sure to use an LED or CFL energy efficient bulb for any lamps or lights that you have to save money in the long run.

Visit http://sustainablecampus.fsu.edu/Green-Room to discover other ways to green your room, save money, and help the environment!

We Love Feedback

Two, or three credit hours. SDS 3340: Introduction to Career Development can assist you in many areas of your career development, from choosing a major and deciding on occupations to learning about resumes, interviewing, and job search strategies.

The course is divided into three units:

Social Conditions Affecting Career Development - focusing on social, economic, family, and organizational changes affecting careers

Implementing a Strategic Career Plan - focusing on employability skills and strategies for implementing academic/career development plans

For more details, you can look at the current syllabus and class content at http://career.fsu.edu/Students/Plan-Your-Career/SDS-3340-Introduction-to-Career-Development

If you have any questions, please stop by The FSU Career Center to speak to a Career Advisor. This information is available in an alternative format upon request. Please contact The FSU Career Center at 850.644.6431 if accommodations are needed.
