The Career Center provides students with individual career counseling and advising to clarify their plans for the future, helps students in any major find internships, and assists students with selecting and gaining admission to graduate schools.

The Florida State University Career Center provides four general services:

• Career Advising and Information
• Internship and Cooperative Education
• Employment and Post-Graduate Education
• Research and Development

Are you a new 'Nole?
Visit the Career Center to talk to a career advisor about present and future career options, identify occupations you can pursue with majors at FSU, make contact with alumni to discuss their occupations and career decisions, or discuss choosing a major and other career issues with a trained advisor.

AlcoholEdu

Florida State University has partnered with EverFi, whose mission is to help students address critical life skills such as alcohol abuse prevention in higher education institutions across the country. Each year over ½ million students complete AlcoholEdu. As part of our comprehensive alcohol prevention program, Florida State University expects each incoming student to complete AlcoholEdu. Whether you drink or not, this online course will empower you to make well-informed decisions about alcohol and help you better cope with the drinking behavior of your peers.

To fulfill Florida State University's requirement you must achieve the following:

* Complete the final exam with a 75% or higher.
* Complete Part 1 (approx. 2-3 hours) by: September 29, 2014.
* Complete Part 2 (approx. 15 minutes) by: November 17, 2014.

Please note that the course includes three surveys that help personalize your experience and measure students' alcohol-related attitudes and behaviors. All survey responses are strictly confidential; FSU will only receive information about the student body as a whole and will never see individual students' answers.
