Office Spotlight: Student Disability Resource Center
The Student Disability Resource Center (SDRC) was established to serve as an advocate for Florida State students with disabilities and ensure that reasonable accommodations are provided. Florida State University is committed to providing a quality education to all qualified students and does not discriminate on the basis of race, creed, color, sex, religion, national origin, age, disability, genetic information, veterans' status, marital status, sexual orientation, gender identity, gender expression or any other legally protected group status. Providing services to more than 2100 students, the Student Disability Resource Center is committed to ensuring the success of each Florida State University student. Through the provision of academic accommodations, testing support, assistive technologies, coaching and a space for students to feel part of the FSU community the SDRC creates an environment of success...
